Refund/Cancellation Fee

If not completely satisfied, the hearing aids may be returned within 30 days of the fitting. A full refund will be issued less \$150/HA. If at least one hearing aid is kept, there will be no cancellation fee.

Insurance Coverage/Payment

It is the patient's responsibility to know their insurance coverage for hearing aids. Payment will be discussed with the Business Office prior to receiving the hearing aids. Payment is expected at time of receipt of aids.

Warranty

Hearing aid warranty covers maintenance, repairs, and adjustments by the audiologist or manufacturer. After the warranty period has ended, appointments are charged to the patient \$35. After the warranty period has ended, repairs sent to manufacturer are \$240-\$300.

Loss & Damage Warranty

The manufacturers offer a one-time replacement for each hearing aid that is lost or damaged beyond repair during the original warranty period for a charge of \$400.

Hearing Aid Drop Off

If a hearing aid needs a minor repair or cleaning, the aid can be dropped at the reception desk during business hours. The audiologist or audiology assistant will repair the aid and return it to the desk for pick up that day or the next. This is a covered service while the aid is under warranty. There is a \$20 charge per hearing aid when out of warranty.
